Sir,

AMENDMENT AFTER ALLOWANCE

In response to the notice of allowance, please amend the application as follows:

In the specification:

Page 4, line 30, delete "37". In its place insert ---40---

In the drawings:

Fig. 6, replace reference character "37" with ---40---, as shown in red on the drawing sheet enclosed herewith.

REMARKS

The application has been amended to more precisely define the invention and advance the application to issue. No new matter has been added by this amendment, just a change in reference character. It was found that character 37 had been inadvertently applied to both keel in Figs. 4,5 and motor of Fig. 6. This amendment will correct that error.

Respectfully submitted,

Alvin S. Blum
